### I. SCHOOL CLASSIFICATION

#### For Two Class Tournaments:

Competition in the IHSA Boys Class A and AA Basketball Tournament Series will be determined on an enrollment basis.

A. (Example: The total student enrollment figure included in the Fall Housing Report on September 30, 2004, shall be used for determining a school's classification during the 2005-06 school year.)

B. For classification purposes, the total student enrollments for one-year high schools, two-year high schools, three-year high schools and high schools which enroll boys only or girls only shall be calculated as follows:

- 1) For one-year high schools, the total student enrollment figure reported shall be quadrupled.
- 2) For two-year high schools, the total student enrollment figure reported shall be doubled.
- 3) For three-year high schools, one-third of the total student enrollment figure shall be added to the total student enrollment figure reported.
- 4) For schools which enroll boys only or girls only, the total student enrollment figure reported shall be doubled.

C. Schools participating in sports and activities operating under the two-class system shall be classified as follows:

- 1) Schools with enrollments of 735 and below will be Class A.
- 2) Schools with enrollments above 735 will be Class AA.

The deadline for entry is November 1, 2005. All member schools should have received, in the mail in April of 2005, a 2005-2006 Entry Booklet that outlines the on-line entry procedures for all IHSA-sponsored tournaments.

The IHSA Board of Directors eliminated the entry fees for all sports and activities starting with the 2005-2006 school year.

#### B. Late Entries:

Any attempt to enter a sport or activity on-line after the established deadlines will be denied. Schools that wish to enter after the deadline will be considered late. To be considered for late entry, the Principal/Official Representative must contact the IHSA administrative officer in charge of that sport or activity. The penalty for late entry shall be a payment of \$100.00 for that sport/activity by the school.

#### C. Breach of Contract By-Law 6.041 (Withdrawal Procedure)

## V. TOURNAMENT ASSIGNMENTS AND SEED MEETINGS

### A. Sectional Assignment:

All entered teams will be assigned to Sectional complexes on a geographical basis.

### B. Sectional Complex Grouping Procedure

1) Class A and AA Sectional Complexes:

a) For sectional complexes of up to 24 teams, the teams in the sectional complex will be seeded according to the manner hereinafter provided. For each sectional complex, the four highest

seeded teams will be separated to the four quarters of the bracket. After the four highest seeded teams have been separated, the next four highest seeded teams will be assigned to different quarters of the bracket, with geography being the considering factor in the assignment. However, no more than two of these eight highest seeded teams will be placed in the same regional bracket regardless of their geography. The remaining teams in a sectional complex will then be assigned to a regional tournament based on their geography. Each regional tournament will then be paired according to the seeds of the teams in that regional.

b) If any sectional complex in a state tournament has 25 or more teams, then all the sectionals in that sport will be split into two sub-sectionals. Each sub-sectional, which will represent two Regionals, will host its own seeding meeting. In a sub-sectional, the two highest seeded teams will be separated into the two different Regionals. The next two highest seeded teams will then be split into different Regionals, with geography again being the primary factor used in the assignment.

c) In the event that all sectional complexes in a state tournament have 15 or fewer teams, then only the four highest seeded teams will be separated into the four quarters of the bracket. All other assignments will be made based on geography.

*Note:* In Sectionals where excess travel may be a factor, sub-sectionals may be developed even though there are fewer than 24 schools in the sectional complex.

### C. Seeding and Pairings

1) For Class A, the local manager is required to call a meeting of representatives of the schools assigned to his/her tournament for the purpose of seeding the participating teams. These meetings shall begin between 5:00 p.m. and 8:00 p.m. on **Wednesday, February 1, 2006.**

2) For Class AA, the local manager is required to call a meeting of representatives of the schools assigned to his/her tournament for the purpose of seeding the participating teams. These meetings shall begin between 5:00 p.m. and 8:00 p.m. on **Wednesday, February 8, 2006.**

3) It is the responsibility of each competing school entered in the state series to complete an *IHSA season summary sheet* prior to its seed meeting. The school must fax their form to their seeding meeting host no later than 10 a.m. on the Monday prior to the seed meeting. Non-Compliance may result in IHSA review and possible sanctions imposed upon the school. Please see the Boys Basketball Host and Attendees Seeding Information, located on the IHSA Boys Basketball website, for more information.

a) On Friday, February 3, 2006, for Class A and Friday, February 10, 2006, for Class AA, the pairings for the state tournament will be posted on the IHSA web site.

b) Class A and AA Sectional pairings will be determined by bracket advancement for the Sectional Complex.

c) In the Super-Sectional games, the winners of the Sectional Tournaments will be paired on a geographical basis.

d) Pairings for the first-round games of the State Final Tournament(s) will be made by

chance drawings.

Interpretations and modifications of existing rules as outlined in the various state-sponsored meetings shall be rigidly adhered to.

4) In all tournament games, the referee shall sign the official scorebook at the conclusion of the game at either the scorer's bench or in the officials' locker room. (50) miles and three dollars (\$3.00) per round trip mile for each mile beyond fifty (50) miles.

This transportation allowance shall be made for each trip, which is actually necessary for the team to make in order to participate. All claims for transportation allowance under this provision must be approved by the local manager and in case of doubt relative to the necessity of making additional trips, the manager must be consulted and the decision shall be final. No other expense allowance of any kind shall be made to teams participating in the Sectionals and Super-Sectional except that if because of an emergency, or other justifiable reasons approved by the local manager, a team does not return home between tournament sessions in which it plays, and if normal meal time or night intervenes between those sessions, the teams shall be allowed expenses for necessary meals and lodging in lieu of transportation expenses. However, under no circumstances shall a team receive a larger percentage of its meal and lodging expenses than it would have received if its travel expenses had it made the trip home.
